## Purchase Volunteer Hours

---

North Star Academy (NSA) believes family volunteerism in our school is a key component to the successful education of our students. Many of the programs and activities offered at NSA are driven by our volunteers. Therefore, we need the support of **EACH** of our families to ensure the continued success of these programs.

While we prefer our families volunteer their time (40 hours per Family / 20 hours per Single Parent Families), we understand not all schedules allow this.

**Please complete the form below to indicate how many volunteer hours you are purchasing. You can purchase up to 30 volunteer hours per Family (15 volunteer hours Single Parent Family).**

**Please note:** Each family is asked to complete a minimum of six (6) Traffic Shifts per school year. You will receive 1 volunteer hour for each Morning Traffic Shift worked, and 2 volunteer hours for each Afternoon Traffic Shift worked. Please ensure you do not include the Traffic hours you anticipate working when you figure the number of volunteer hours you are purchasing.

**Please complete one (1) form per family ONLY if you are purchasing hours. Hours will be logged in VMS for you.**

### We / I wish to purchase volunteer hours as follows:

We / I am purchasing \_\_\_\_\_ volunteer hours (at \$20 for each 1 volunteer hour credit), and have included a check for \_\_\_\_\_. I understand that I am still responsible for six (6) shifts of Traffic Duty.
